

Dorothy Dalgliesh School is now accepting early registration for the 2019-2020 School Year.

Please stop by the school to register your child.

A copy of your child's birth certificate is required for registration.

DEVELOPMENTAL CHECKUPS

Developmental Checkups will be held on May 9th 2019 for students entering the EARLY LEARNING PROGRAM and KINDERGARTEN. A developmental checkup involves community partners who work together to facilitate fun activities for parents and children to do together at five different centers:

Communication, Gross Motor/Fine Motor, Problem Solving and Personal/Social activities.

Parents gain important knowledge regarding their child's development and have the opportunity to access resources and, if needed, support to enhance their child's development. This also assists the school to have staffing and supports in place when children enter school in the Fall.

To book your child an appointment, please contact

Mrs. Stauth at the school office. 403-732-5636
