

Happy Heart Month!

School Council does SOOOOOO much for our school. I am always thanking them but I never feel as though it is enough. SO much of what we have at the school – Scientists in the School, hot lunch, Christmas Turkey Dinner, Chromebooks, special library book selections, iPads, the appliances and tools in the kitchen, the document cameras, our sound system, to name only a few – are thanks to School Council and their tireless volunteer hours and efforts to fundraise. And coming up later this month is “Bigger Than That” on Feb. 25! Another event sponsored by School Council! Please consider joining School Council, or at least helping out from time to time. I hope to see you on Thursday, Feb. 7 for our next School Council meeting in the School Library.

Thank you to Mrs. Gibson and her hot dog program – the money raised through selling hot dog lunches sponsored our swimming trip to Taber Aqaufun Center. It went, well, swimmingly! ☺ One of the lifeguards shared that DDS was the best group they ever had – it makes my heart sing! Thank you for supporting the hot dog program by purchasing hot dog lunches for your kids.
