For me, writing is difficult. In fact, I barely passed my high school English classes. But I've learned it doesn't matter where you come from, it's where you decide to go in life that's far more important. So I'll use **great music** to show you **a fun way to get better at reading and writing** - - because both skills are crucial for reaching your dreams.

*A grizzly isn't the worst thing you can face in the far North.*

**Merlins against Druids.**  
*Join the battle.*

You'll also learn about **giant slingshots, wedgies, cockroaches** and maybe a few other surprises. **Get ready to rock and roll!!**
