February 2020

Message from the Principal

Happy Heart Month!

School Council does SOOOOOO much for our school. I am always thanking them but I never feel as though it is enough. So much of what we have at the school – Scientists in the School, hot lunch (including Turkey Dinner at Christmas and BBQ Lunch at Track Meet), Chromebooks, special library book selections, the appliances and tools in the kitchen, document cameras, our sound system, innovative seating options, field trips to name only a few – are thanks to School Council and their tireless

volunteer hours and efforts to fundraise. Please consider joining, or at least helping out from time to time. I hope to see you at our next meeting on Feb. 3!

One of the latest events School Council is sponsoring is a weeklong writing workshop with world-renowned author, Sigmund Brouwer! We are incredibly lucky to have Mr. Brouwer in to the school for an extended time period. The first week of February, he will spend designated time with each class on their writing skills, and then come back in the spring to work exclusively with our grade 6 class to hone their Provincial Achievement Tests writing skills. We can't wait – thanks School Council!

A big thanks to Mrs. Gibson for organizing and running Hot Dog Days, and a big thanks to you

all for supporting it. It is through the money raised that we can afford little extras here and there, like the swimming trip we just enjoyed. Thanks Mrs. Gibson.

Finally a big thank you to Cassie Spanke for making her Principal for a Day memorable. I know she put a lot of thought and effort in to the planning and execution. From having alternate activities for kids who may not want to play games, to baking cookies, to having fun prizes, Cassie hit it out of the park! It was a great day for everyone!

As always, stop by my office for a visit, or if you have any questions or concerns.

With warmest regards, your partner in education,

Ms. Shari Rogerson
Principal
