

Message from the Principal

April 2020

Dear DDS Families,

In light of these uncertain and unprecedented times, Dorothy Dalglish School will not be preparing a newsletter this month. Teachers have so very much on their plates right now as they prepare and deliver online learning materials and lesson plans. They will continue to stay in touch with you through Google Classrooms and by email.

If you need anything, please let us know – we have resources to help you with virtually anything you need so please reach out if you are struggling. We can help you directly, or put you in contact with someone who can help. Stay strong, be kind, and we will hopefully see you soon!

Your Principal,

Ms. Shari Rogerson

DDS Word of the month:

Compassion means we care about others, treat them with kindness, and feel a strong desire to help people in need.

Compassion is empathy in action. **Compassion** might look like giving a hug, making a card, or saying something kind to help a friend or family member who is feeling sad or upset.
