Message from the Principal

Happy December! How blessed we are to have all of our students attend in person for the first three months this school year. This month we continue to enjoy the energy and laughter of our students at school.

Beginning this week, December 2nd, we have the 12 Days of Holiday Spirit. Each day students can wear something that helps us get into the holiday spirit. Although we won't be able to celebrate together at our traditional school holiday concert again this year, students are in the process of filming one that will be shared with families. Our DDS Winter Celebration virtual program is directed by our own Mrs. Gibson. We will be sending a link out to parents by December 17th so you can view our concert online with your family. Take a picture of your family watching the concert, post it on social media and tag @DDSPictureButte to get your family entered into a draw for a prize. Share the celebration!

Our virtue of the month is generosity. I think it is a good reminder of what the holiday season is about. It helps us understand the importance of giving back to others. We believe that learning and practicing our virtue of the month is important. Throughout this month, we will be collecting non-perishable foods for the North County Interfaith Food Bank. Your family's participation is greatly appreciated.

If you are looking to purchase some "DDS Swag" for yourself or family and friends, click on this link [DDS Swag](#). Orders placed before December 3rd, will arrive at the school before Christmas.

From our school family to yours, we wish you a wonderful, healthy, memorable Christmas and holiday season.

Yours in learning,

Crystal McGregor
