Bell Times: The first day of school for students will be Tuesday August 30th, 2022. Our school day begins at 8:34 and ends at 3:25. Students will have a fifteen minute morning recess and a forty-minute lunch break. Our school doors will be unlocked at 8:25 for students with supervision available in the classrooms after that time.

SAVE THE DATE!!!

Meet The Staff Night

September 1st from 5:30-6:30pm

Join us to help kick off a successful year. Meet the staff and have a light supper of a hotdog, chips, drink and brownie. Take a tour of our school and your child's classroom.

KONA Ice will be on site during this time, so you can purchase an ice drink as well! A portion of the proceeds will be donated back to our school.

School Supply List: The School Supply lists for the 2022-2023 school year are located on our website at <https://www.dorothydalgliesh.ca>. Our School Division continues to partner with School Start online. This company supplies the buyer with an online order form and competitively priced school supplies that will be delivered directly to your home. The order forms are tailored to each grade level with lists that are created directly by your child's teacher. Please check this out to be sure your supplies are ready for the start of school.

Morning Supervision: Supervision in the classrooms is available from 8:25-8:34 in the morning by the homeroom teachers. They are using this time to help organize their students and get set up for the day.

School Access: For the safety of our school community, our building will remain locked to outside guests during the school day. Please make an appointment if you wish to contact one of the teachers to ensure that they are available when you arrive. All guests will be required to sign in at the office. When you arrive at the school, please ring the doorbell located near the main doors.

Morning Drop Off: The school doors will open for drop off at 8:25. To reduce congestion we ask that all students use the doors that are closest to their classroom. Administrative and school staff will be available at all doors of the school to assist students in finding their classroom. We ask that parents do not walk their children into the school. In addition to supporting student safety in the building, we are nurturing independence, confidence, and collaborative skills in our students.

End of the Day: When the bell rings at 3:25 our school doors will unlock. Students will be dismissed from their designated doors by their homeroom teacher. If you require an alternate arrangement for you child, such as a sibling picking them up or you would like your child to walk home independently, please contact their teacher or the office.

Once your child has been dismissed, you are welcome to enter the school to view your child's learning environment. Please note that the teachers may not be available to meet so please make an appointment with them to avoid disappointment.

School Council: Dorothy Dalgliesh School has an active school council with many opportunities to support activities in the school. As a council, they rely on family volunteers to support our hot lunch programming and other fundraising events. School council would like to thank our sponsors for providing us with hot lunches again this year. In order to offer these free meals, we require volunteers to help with cooking and serving the meal. If you are able to help out please contact Roxane Drake at rsdrake20@gmail.com.

Opportunities to Stay Connected: Our partnership with you is important. Below are some ways that we hope to connect with you to share any upcoming events planned for the school year.
